and TAC)

TAC Mission: "To proactively advise the Mayor and the Land Use and Housing Committee on improvements to the regulatory process through the review of policies and regulations that impact development. And to advise on improvements to the development review process through communications, technology and best business practices to reduce processing times and improve customer service. And to advocate for quality development to meet the needs of all citizens of San Diego."

Mixed use and multi-family zones being developed through community plan updates (Code Monitoring Team
